A feminist tale full of humor and hope
If we could integrate the periods of interruption, silence, and failure into the narrative of a mother-artist's life, she suggests, we might be able to see motherhood not as the end of creative life, ...

The End of the Art-Baby Problem
It's no doubt that Shining Vale is a big swing; it has an optical density and curious energy that must be applauded and for once I don't care if it fares well as a comedy or a horror.

Why Shining Vale presents both the apprehensions of second-wave feminism and a response to it.
The American writer, academic and cultural critic spoke with Eleanor Wachtel about her memoir Constructing a Nervous System, an incisive look at race, class, music and feminism.

Margo Jefferson on her musical icons, the Black elite and the power of self-creation
