The war against Calesta will take Damien and Tarrant from the  
depths of Hell to the birthplace of demons and beyond—in a battle  
that could cost them not only their lives, but the very soul of  
mankind. Crown of Shadows is the stunning conclusion to C. S.  
Friedman's Coldfire trilogy.

Crown of Shadows (Coldfire Series #3) by C. S. Friedman ...  
Crown of Shadows had great actions, the same complex characters  
going through yet more changes and compromises, unlikely  
friendship and honor and struggles with faith. Questions were  
answered and loose ends tied, sometimes in unexpected, surprising  
ways, and I listened to the audio version as entranced as I was with  
the first two.

This closing volume of Friedman's Coldfire trilogy (When True  
Night Falls; Black Sun Rising) ably concludes one of the better  
fantasy series in recent memory. Even readers unfamiliar with the  
earlier volumes will quickly be enmeshed in the struggles of the  
Reverend Damien Vryce and The Hunter, Gerald Tarrant, to  
maintain the order of the planet Erna against the forces of the  
demon Calesta.

Coldfire Ser.: Crown of Shadows by C. S. Friedman (1996 ... The Coldfire trilogy tells a story of discovery and battle against evil on a planet where a force of nature exists that is capable of reshaping the world in response to psychic stimulus.

Crown of Shadows by C. S. Friedman | Audiobook | Audible.com Crown of Shadows culminates the battle between the demon Iezu against Damien and Tarrant. The ending of this novel is fabulous and keeps the reader questioning as to what happens next. Unfortunately, there is no sequel so we are left to wonder about the final person Damien meets on the last pages.

Editions of Crown of Shadows by C.S. Friedman Story. 4 out of 5 stars 1,312. The Coldfire trilogy tells a story of discovery and battle against evil on a planet where a force of nature exists that is capable of reshaping the world in response to psychic stimulus. This terrifying force, much like magic, has the power to prey upon the human mind, drawing forth a person's worst nightmare images or most treasured dreams and indiscriminately giving them life.
