A practical handbook on the EU's new data protection law EU data protection law has come a long way over the last two decades. When Directive 95/46/EC (the "Directive") was written in the mid-1990s, the highly networked and interconnected world in which we live today was merely a glimmer on the horizon.

GDPR Handbook: Unlocking the EU General Data Protection ...
This handbook is a broad overview of rights and obligations under federal disability laws. Individual state laws may impose more stringent obligations. This handbook is intended to inform rather than to advise, and the information provided is of a general nature. You should consult an attorney for advice about your particular situation.
