Golden Software Voxler 3 Full User Guide

Golden Software support is the reason that I purchased your products. I occasionally have the need to contact the technical support group and have always found them to be very helpful. That level of support is unusual and I appreciate it greatly! Sonja Mathisen USA Sound Energy, LLC. When I first heard of your software from my friend, it was described in near mythical terms. It wasn't until I ...

Golden Software

Minor updates (e.g. version 4.4 to 4.6) are available for free by clicking the Help | Check for Update command within Voxler. Version information can be found on the Version History page. For troubleshooting assistance, email voxlersupport@goldensoftware.com. Major upgrades (e.g. version 3 to version 4) can be purchased for \$159USD through our shopping page.

Voxler® FAQ | Golden Software®

Golden Software does not recommend installing Voxler 4 over any previous version of Voxler. Voxler 4 can coexist with older versions (e.g. Voxler 3) as long as they are installed in different directories. By default, the program directories are different. For detailed installation directions, see the Readme.rtf file. To install Voxler from a CD: 1. Insert the Voxler CD into the CD-ROM drive ...
