See, I miss the days when I wasn't so faded Love wasn't always invasive, I could embrace it
Just innocent, waitin', not always livin' in anguish When did I break and become overtaken?
What was the moment I caved and Gave away all of my faith and made a replacement? I miss
the days when, I miss the days when

And the results only get worse the more good market days you miss. Missing the best 10 days will more than halve your long-term returns. Once you miss out on the 50 best-performing days, you might as well have been investing in the Juicero instead of the stock market. The above chart tracks a 38-year period, or roughly 10,000 days of stock trading.
