#English Paper With  
Appendix

An appendix is a section at the end of an academic text where you include extra information that doesn't fit into the main text.

The plural of appendix is "appendices." In an APA Style paper,

# Where To Download

appendices are placed at the very end, after the reference list.

## How to Create an APA Style Appendix | Format & Examples

Here is how you create an appendix in the paper: To start an appendix in research paper, you write the appendix label on a new page (with page

# Where To Download

You can typically use an appendix for information or materials that mess up your paper structure. For instance, putting a copy of a survey in your paper would likely throw off the format of the paper. If information is essential for your reader to know, include it in the body of your paper instead of an appendix.
