Solution Manual for Physical  
Metallurgy Principles 4th ...

Description This is the fourth edition of  
a work which first appeared in 1965.  
The first edition had approximately one  
thousand pages in a single volume.  
This latest volume has almost three  
thousand pages in 3 volumes which is  
a fair measure of the pace at which the  
discipline of physical metallurgy has  
grown in the intervening 30 years.
