"Many sales experts focus on a cookie-
cutter sales ""strategy,"" encouraging reps
to push the customer through a pre-
planned sales process -- an approach that
can drive customers away. With ProActive
Selling, reps have a wide variety of
flexible and effective selling tactics to
choose from. This enables them to adapt
and approach each sales call uniquely and
keep the customer at the center of every
sales presentation.

In the best case scenario, most reactive sales calls end with the salesman not the customer doing something. Reactive sales calls result in the salesman sending more information or arranging another phone call. With reactive sales calls the salesman relinquishes control of the conversation and lessens the chance of making something happen.
