The Nix by Nathan Hill - Goodreads
The Nix is an American epic novel in 10 parts that follows community college professor of English, Samuel Andresen-Anderson who is struggling to find meaning in his life in the years following his failure to write a book which he was already paid an advance for. He was abandoned by his mother at a young age.

The Nix - Wikipedia
The Nix is hugely entertaining and unfliningly smart, and the author seems incapable of writing a pedestrian sentence or spinning a boring story (New York Times Book Review) There is an accidental topicality in Hill's debut, about an estranged mother and son whose fates hinge on two mirror-image political events - the Democratic Convention of 1968 and the Republican Convention of 2004.
