presented in this book combine quantitative and qualitative approaches and focus on the use of evaluative adjectives and epistemic modal markers.

Contrastive Pragmatics and Translation: Evaluation ...

Abstract. Linguistic pragmatics examines implied meaning in the context of language use, especially on how people do things with language. This layer of meaning is certainly relevant to translation practice as well as to translation studies. In this chapter, we survey the research area and discuss two categories of studies—pragmatics as perspective and pragmatics as behaviour.

The Semantics Pragmatics And Translation Of Speech Acts

My chapter highlights the role of context in the interface between translation studies and pragmatics. Translated texts are doubly contextually bound: to their originals and the new recipients' contextual conditions. This double linkage underlies the equivalence relation - the conceptual heart of translation.
