Subtraction on the 100s Chart - YouTube

How to add or subtract on a 100 chart is a piece of cake! It's really helpful for students who need a boost in counting by 1s and 10s. You do not need to worry about regrouping or borrowing either. All you need are some 2-digit numbers and a 100 chart. Once students become proficient in using the 100 chart to add, they will not need the chart.

How to Add and Subtract on a 100 Chart | Teacher's Take-Out

How can the hundred chart help students add & subtract 2-digit numbers? 1. Add 1 or 10: Here, our friend the bunny helps students begin using the hundred chart to add and subtract. We start... 2.
